CEILING YOU CAN LOOK UP TO!

One (1) Year Limited Product Warranty

All wood and wood composite products sold by Architectural Surfaces, Inc. are warranted to be free of defects in workmanship for a period of one year from the date of shipment, based on the following conditions. Products with obvious flaws must be reported to Architectural Surfaces Inc. within 30 days of shipment to the customer. Wood products must be acclimated to site conditions prior to installations per our acclimation instructions. After installation, the space must be maintained within a relative humidity range of 25%-55%. Temperature range should be maintained within a range of 55-80 degrees Fahrenheit. The area must be enclosed, doors and windows installed, and the HVAC systems must be functioning properly and in continuous operation. Any maintenance or cleaning of our products must be done in accordance with the instructions found on our website.

Architectural Surfaces Inc. warranties are subject to typical conditions. Unusual conditions include any type of accident or any form of abuse, adhesives or tape, standing water, excessive or moderate humidity, excessive or moderate temperatures, vibrations, or exposure to chemicals or fumes.

All products should be maintained to avoid dirt or dust buildup which could provide a medium for microbial growth. The growth of mold or mildew is not covered by this warranty nor is it the responsibility of Architectural Surfaces Inc.

Our wood products will have natural variations, due to the characteristics of the wood or veneers. This warranty does not cover variations in texture, color, or grain.

All products must be installed in accordance with written Architectural Surfaces Inc. installations instructions and/or approved shop drawings. Any lighting, ventilation, or other mounting parts must be suspended independently and supported securely by the substructure. Architectural Surfaces Inc. shall have no responsibility for defective processing or alteration to the products by others after shipment.
